Class Policies

Full payment is due upon registration. You can register and pay by phone using a credit card. Refunds will be issued only with 48 hour notice.

- The class fee covers all tools and materials provided in our classes.
- Early Registration is encouraged as classes have both minimum and maximum registration requirements.
- Classes are limited to 8 students, unless otherwise specified.
- Minimum age for classes is 9 years old, unless otherwise specified
- Classes will take a break for shopping, stretching and snacking.
- Samples for each class can be found in the store case.

Receive a 10% discount on all purchases the day of class!

(not valid with any other coupons or offers)

If you would like to receive the class schedule via email, please email us at: info@beadworldnw.com or sign up in store.

NEW Discount Pricing for Class Series

Register in full for a series and receive a discount
(limited availability, refunds will include the discount)

LADIES NIGHT OUT

Host your next gathering at Beadworld!

Want a night away from the kids? Could your office use some off-site bonding? For \$20 a person (plus cost of beads) you and your group will get 2 hours of fun! Choose what you would like to make and we'll help you with the rest. You will be guided through color choices, design and construction, and finish with a great new piece of jewelry. Although we don't have a suggested number for adult gatherings, we recommend you have a bead budget per person to keep costs under control. The staff will help everyone stay within the designated budget. Feel free to bring treats and drinks, but please let staff know so party activities can be planned accordingly. There is a minimum of 5 and maximum of 8 people for Ladies Night Out parties.

PRIVATE INSTRUCTION

Unable to fit a particular class into your schedule? Don't see the class you're looking for? Prefer to learn in a private setting?

Private instruction is now available for those who require more flexibility in scheduling. If you prefer to learn one-on-one, want to focus on a particular skill or technique, or enjoy a special class for just friends/family, Beadworld instructors are happy to schedule private or semi-private classes at your convenience. Classes start at \$45/hour for one to three students, and most classes can be completed in 1-2 hours.

For more information and scheduling, please contact Christina at (206) 290-0933.

Stringing

**SIGN UP FOR BASIC BEAD STRINGING, BEAD KNOTTING I & BEAD KNOTTING II TOGETHER
AND PAY ONLY \$55 FOR ALL THREE!
(LIMITED AVAILABILITY)**

BASIC BEAD STRINGING - \$25

Instructor: Mariella Level: Beginner Prerequisite: None

Learn how to design and assemble basic necklaces and bracelets. We will cover various stringing materials, findings and tools required to complete a quality piece of professional jewelry. No experience needed, just a desire to have some beaded fun with awesome people!

Saturday, January 16th 11-2pm

Tuesday, February 8th 11-2pm

Friday, March 4th 6-9pm

Saturday, April 16th 11-2pm

BEAD KNOTTING I - \$20

Instructor: Nicky Level: Motivated Beginner Prerequisite: None

Learn the traditional pearl knotting method in this simple and straightforward class. You can bring beads and a clasp or choose beads during the break. Either way, we'll help you select the right size stringing material.

(LIMIT: 6 STUDENTS)

Sunday, January 31st 11-1pm

Friday, February 26th 4-6pm

Monday, March 7th 11-1pm

Tuesday, April 26th 11-1pm

BEAD KNOTTING II - \$20

SPACED KNOTTING

Instructor: Nicky Level: Motivated Beginner Prerequisite: None

Learn the technique behind the floating bead style, and the subtle technical considerations presented by pendants and beads in a variety of sizes and shapes.

(LIMIT: 6 STUDENTS)

Sunday, March 6th 11-1pm

Wednesday, April 27th 11-1pm

Stringing

TASSELED MALA NECKLACE - \$40

Instructor: Nicky Level: Beginner Prerequisite: None

Known as a Buddhist rosary, this Tibetan-style mala has been used for centuries by Buddhist monks to count their sutras. These tasseled necklaces are also popular with non-Buddhist fashionistas for their charm and casual style. This class will show you how to assemble your mala and also how to make that signature tassel.

(LIMIT: 6 STUDENTS)

Tuesday, March 29th 11-2pm

MULTI-STRAND NECKLACES- \$35

Instructor: Nicky Level: Any Prerequisite: None

Multi-strand projects can be tricky. There are many things to consider, like bead size, thread length, and how to choose the right dividers. In this class we will answer all those little questions and solve all those little problems that have had you scratching your head.

(LIMIT: 6 STUDENTS)

Friday, March 11th 11-2pm

Bead & Cord

ORIGINAL LOOMED WRAP BRACELET - \$30

Instructor: Nicky/Mariella Level: Beginner Prerequisite: None

Make the original loomed wrap bracelet, the one you've seen in upscale boutiques and catalogs. We'll show you how the pros do it. With the jig, bracelets are made in half the time and with none of the hassles of the clipboard method. Class price includes the leather, beads and a button.

(LIMIT: 6 STUDENTS)

Sunday, February 28th 11-2pm

Saturday, April 23rd 11-2pm

FASHION MACRAMÉ- \$35

Instructor: Nicky Level: Any Prerequisite: None

Learn basic macramé and make these fashionable bracelets. We will finish a bracelet in class, so you'll learn to add the findings for a professional look. The macramé adjustable slide you learn in this class is everywhere and customers always ask us how it's done.

(LIMIT: 6 STUDENTS)

Sunday, March 13th 11-2pm

Wire Working

**SIGN UP FOR WIRE I, WIRE II & WIRE III TOGETHER AND PAY ONLY \$75 FOR ALL THREE!
(LIMITED AVAILABILITY)**

WIRE I - BEGINNING WIRE WORKING - \$25

THE BASIC LOOP

Instructor: Mariella Level: Beginner Prerequisite: None

Perfect for beginners interested in learning the fundamentals of working with wire, findings and tools. Learn to form your own eyepins with the basic loop, and use this skill to create earrings, bracelets, necklaces and pendants.

Be prepared for tons of wired fun!

Tuesday, January 11th 11-2pm

Saturday, February 6th 11-2pm

Thursday, March 10th 6-9pm

Tuesday, March 22nd 6-9pm

Saturday, April 2nd 11-2pm

WIRE II - WIRE WRAPPING - \$25

WRAPPING STANDARD AND TOP DRILLED BEADS

Instructor: Christina Level: Intermediate Prerequisite: Wire I or equivalent

Using the fundamentals of Beginning Wire Working, you'll advance to wire wrapped loops. This class covers wiring teardrop and briolette shapes, and making a bail for a larger stone or pendant.

Saturday, January 23rd 10:30-1:30pm

Sunday, February 21st 10:30-1:30pm

Friday, March 25th 6-9pm

Saturday, April 16th 10:30-1:30pm

WIRE III - ADVANCED WIRE WORKING - \$45

6 NEW SKILLS

Instructor: Christina Level: Advanced

Prerequisite: Wire II or equivalent

Utilize all your wire skills and build new ones, including: forming, bending, braiding, twisting and coiling. Work with heavier gauges of wire, texturing techniques, hammers, jigs, files, mandrels and other wire working tools. Feel free to bring your unfinished wire projects, any stones, wire, or beads you'd like to incorporate into a project, and your imagination.

(LIMIT: 6 STUDENTS)

Saturday, February 27th 10:30-4:30pm

Sunday, April 24th 10:30-4:30pm

Wire Working

WIRE FINDINGS - \$35

EARWIRES, CLASPS AND HOOPS

Instructor: Christina Level: Intermediate

Prerequisite: Wire I or equivalent

Advance to hammering, forming and texturing heavier gauges of wire to create essential, classic and elegant findings and hoops suitable for limitless jewelry design possibilities.

(LIMIT: 6 STUDENTS)

Saturday, March 26th 10:30-2:30pm

HINGED EARRINGS - \$30

Instructor: Kristin Level: Any Prerequisite: Wire I

Learn how to make a fashionable pair of hinged hoop earrings. Playful and with tons of movement, these earrings lend themselves to a myriad of variations and styles.

Sunday, January 24th 10:30-1:30pm

Tuesday, March 8th 6-9pm

BEAD WRAPPED WIRE EARRINGS- \$25

Instructor: Mariella Level: Intermediate Prerequisite: Wire II

Make a beautiful pair of wire and bead wrapped earrings. You will learn some interesting new wire techniques to make this fashionable pair of earrings that can be applied to many different styles.

(LIMIT: 6 STUDENTS)

Monday, March 7th 6-8pm

Beadweaving

BEGINNING PEYOTE STITCH - \$25

Instructor: Nicky Level: Any Prerequisite: None

Easy and inspiring, this is a great class for the aspiring seed bead artist. Familiarize yourself with different beading threads, needles and a variety of seed beads to make a peyote bracelet in the even-count. Then we'll teach you the modern, odd-count method and how to make and follow a pattern. Tubular peyote beads are also covered. Ages 12+ only.

(LIMIT: 6 STUDENTS)

Sunday, February 7th 11-2pm

Beadweaving

FLAT PEYOTE SAMPLER - \$35

Instructor: Nicky Level: Any Prerequisite: Beginning Peyote

Like an appetizer plate, this class is designed to give you a taste of a multitude of peyote techniques. Start with single peyote, then 2-up peyote, the more modern technique for handling odd-count peyote (much easier). We will incorporate various bead sizes, and how to add pico edge and the opportunities that presents.

(LIMIT: 6 STUDENTS)
Sunday, March 20th 11-2pm

BEAD CROCHET- \$45

Instructor: Nicky Level: Any Prerequisite: None

In this two part class you will learn to crochet beads into a tube for bracelets and necklaces. Part one is to learn the crochet technique. Bead crochet is not difficult, but it is a lot to absorb in one class. We want you to be successful so we have split the class in two. You will be given time to finish the crocheting at your leisure. In part two, a week later, you will learn to professionally finish the bracelet.

(LIMIT: 6 STUDENTS)
Saturday, February 13th 11-2pm
Tuesday, March 15th 11-2pm

FOLLOW-UP (FREE WITH PAID BEAD CROCHET CLASS)

Complete your crocheted piece in this finishing class. This session is optional.

Saturday, February 20th, 11-1pm
Tuesday, March 22nd 11-1pm

AQUA VERDE BRACELET - \$30

Instructor: Kristin Level: Any Prerequisite: None

Learn how to set up a loom and make these easy and elegant loomed bracelets. Quick, fun, versatile and oh, so fashionable. We will teach you how to incorporate various sized beads and follow a pattern.

Wednesday, January 27th 10:30-1:30pm
Friday, February 26th 10:30-1:30pm
Sunday, March 27th 10:30-1:30pm

Beadweaving

EMBELLISHED RIGHT ANGLE WEAVE - \$35

Instructor: Nicky Level: Any Prerequisite: None

Make this appetizing Czech glass and Swarovski bracelet. Learn the basics of right angle weave, then learn the tricks to embellishing it. You'll learn in class everything you need to know to finish this bracelet.

(LIMIT: 6 STUDENTS)

Saturday, March 12th 11-2

Just for Kids

MACRAMÉ FOR KIDS - \$20

Instructor: Mariella Level: Beginner Prerequisite: None

Bring the kids for this no school day project class! Kids will learn the simple art of macramé and make their very own bracelet in this two-hour class. For ages 8+

Monday, January 18th 11-1pm

BRAIDED BRACELET FOR KIDS - \$20

Instructor: Mariella Level: Beginner Prerequisite: Must know how to braid

Another of our no school day projects. Kids will learn to make this easy and charming little two-wrap bracelet. It's one of our favorite projects and we're sure it will be theirs, too! For ages 8+

Monday, February 15th 11-1pm

BIRTHDAY PARTIES

Host your child's birthday party at Beadworld!

Party guests will have the full attention of our staff members to assist them in creating a personalized necklace. Fee is \$15.00 per child, plus a bead budget, we recommend \$5.00 per child and the staff can help them stay on budget. Feel free to bring treats and gifts to open, but please let staff know so party activities can be planned accordingly.

Children must be 8 or older. Minimum of 5 children and a maximum of 10.

For more information and scheduling, call us at 206-523-0530

Metalsmithing

**SIGN UP FOR INTRO TO BUTANE TORCH, JEWELER'S SAW & SOLDERING TOGETHER
AND PAY ONLY \$70!
(LIMITED AVAILABILITY)**

INTRODUCTION TO THE BUTANE TORCH - \$25

BALLED END HEADPINS

Instructor: Christina Level: Any Prerequisite: None

This class is designed for those who want to add another personal element to their work. The torch is unintimidating and easy to work with. Students will create ball end pins with fine silver, sterling silver and copper. This class covers butane torch safety and basic equipment. Please do not wear very loose clothing or open toed shoes to class. This class for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

(LIMIT: 6 STUDENTS)

Sunday, January 24th 10:30-1:30pm

Saturday, March 12th 10:30-1:30pm

INTRODUCTION TO THE JEWELER'S SAW - \$25

CUTTING AND PIERCING METALS

Instructor: Christina Level: Any

Prerequisite: None

Add a new dimension to your work by creating your own simple metal shapes with and without negative space. This class introduces students to new skills and tools, including the jeweler's saw, metal shears, jeweler's files and piercing tools. In class you will learn methods for cutting basic shapes from metal sheet or blanks and how to manufacture your own jump rings. You'll also learn finishing techniques to easily incorporate these pieces into jewelry.

(LIMIT: 6 STUDENTS)

Sunday, February 28th 10:30-1:30pm

INTRODUCTION TO SOLDERING - \$35

Instructor: Kristin Level: Any Prerequisite: None

Soldering is much simpler than you think and can diversify your jewelry design. In this introductory class you will learn about different types of solder, tools, and soldering safety, make closed jump rings and join multiple metal pieces together. Please do not wear loose fitting clothes or open-toed shoes to class and wear your hair pulled back. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

(LIMIT: 6 STUDENTS)

Sunday, January 17th 10:30-1:30pm

Wednesday, February 10th 10:30-1:30pm

Saturday, March 19th 10:30-1:30pm

Sunday, April 3rd 10:30-1:30pm

MINIMALIST SOLDERED EARRINGS - \$35

Instructor: Kristin Level: Any Prerequisite: Introduction to Soldering

Learn the techniques to make 4 styles of soldered sterling silver earrings from start to finish. Please do not wear loose fitting clothes or open-toed shoes to class and wear your hair pulled back. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

(LIMIT: 6 STUDENTS)

Saturday, March 19th 3-6pm

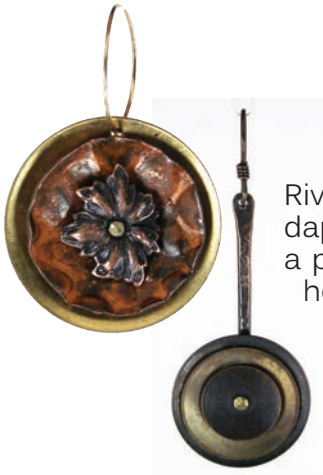

Metalsmithing

**SIGN UP FOR RIVETING I, II & III TOGETHER AND PAY ONLY \$100 FOR ALL THREE!
(LIMITED AVAILABILITY)**

RIVETING I - \$35

STACKED AND RIVETED EARRINGS

Instructor: Christina Level: Beginner Prerequisite: Wire I or Equivalent

Riveting is a great option for attaching metals without solder or glue. Learn how to layer, dap and rivet pre-cut metal shapes with a standard TACK rivet of any size to complete a pair of earrings. You will also learn how to create a versatile connector finding with heavy gauge wire and techniques and tools for cutting and piercing repurposed tin.

(LIMIT: 6 STUDENTS)

Saturday, January 9th 10:30-1:30pm

RIVETING II - \$40

MIXED METALS RIVETED PENDANTS

Instructor: Christina Level: Intermediate Prerequisite: Riveting I

The cold connection is the perfect alternative to attaching metals without solder or glue. Learn techniques for riveting metal using wire, tacks and tubing, and why you might use one method over another. You can choose from a wide variety of metal components in class (or bring something from home to work with) to create a work of wearable art.

(LIMIT: 6 STUDENTS)

Sunday, February 7th 10:30-2:30pm

RIVETING III - \$45

RIVETING ON THE CURVE - THE RIVETED CUFF

Instructor: Christina Level: Advanced Prerequisite: Riveting II

This is a versatile metalsmithing skill to add to your repertoire. You'll begin by texturing metals, as well as cutting, piercing and forming flat, found objects such as decorative tin to create a layered cuff bracelet of your own design. Feel free to bring any tins or flat found objects you'd like to work with.

(LIMIT: 6 STUDENTS)

Saturday, March 19th 10:30-4:30pm

UPCYCLED TIN EARRINGS - \$35

Instructor: Christina Level: Beginner Prerequisite: None

In this incredibly fun and easy earring class, students will repurpose metal containers once used to store cookies, tea, coffee, tobacco, candies, etc., into colorful, light-weight earrings. Students will learn how to properly deconstruct a tin, cut, pierce, file, and connect shapes into one of a kind earrings. Tools and Tins will be available for use in class but please bring any from home you would like to work with. Please bring a pair of inexpensive gardening gloves.

Saturday, January 30th 10:30-2:30

Metalsmithing

**SIGN UP FOR ETCHING I, II & III TOGETHER AND PAY ONLY \$110 FOR ALL THREE!
(LIMITED AVAILABILITY)**

ETCHING I - \$45
EASY METAL ETCHING

Instructor: Christina Level: Any Prerequisite: None

Learn to transfer hand drawn and rubber stamp images onto the surface of copper or brass. A low-tech solution will be used to etch the design onto the surface of the metal to create a three-dimensional image. Incorporate the pieces you create in class into pendants and earrings. This process is very simple and easy to replicate at home. Feel free to bring rubber stamps you'd like to work with, and please wear play clothes.

(LIMIT: 6 STUDENTS)

Saturday, February 6th 10:30-3:30pm

ETCHING II - \$45

Instructor: Christina Level: Intermediate Prerequisite: Etching I

Expand your etching skills to include copier transfers and combining image transfer methods. Students will also learn double-sided etching, different resists and additives, overlays and over-etching. Expand the possibilities of basic metal etching with this high energy, intermediate level class. Feel free to bring rubber stamps you'd like to work with and/or laser copied images on glossy photo paper or photo transfer sheet. Wear play clothes.

(LIMIT: 6 STUDENTS)

Sunday, March 6th 10:30-4:30pm

ETCHING III - \$45

PENDANT & EARRING SET

Instructor: Christina Level: Intermediate/Advanced Prerequisite: Etching II

In this etching class, students will further their etching skills by learning to transfer images onto brass bullet shells. A variety of transfer methods will be covered as well as different etching solutions. You'll leave class with a unique pendant and set of earrings perfect for gifts or your own wardrobe! Please wear play clothes.

(LIMIT: 6 STUDENTS)

Saturday, April 9th 10:30-4:30pm

ETCHED LADDER NECKLACE - \$45

Instructor: Christina Level: Intermediate Prerequisite: Wire I or equivalent

This is a modern, fun necklace that is easy to create and wear. In this class, students will learn how to draw or stamp images onto copper or brass blanks. You'll learn a simple, low tech method to etch several components that you'll link together with chain and jump rings.

This is a user friendly process that is very simple to replicate at home.

Feel free to bring rubber stamps.

(LIMIT: 6 STUDENTS)

Saturday, April 23rd 10:30-4:30pm

Metalsmithing

BEGINNING METAL STAMPING - \$30
Instructor: Mariella Level: Beginner
Prerequisite: None

Learn how to create personalized pieces of jewelry using metal blanks, metal letter and design stamps, metal hole punches, charms and jump rings. We will cover several tips and tricks to ensure that everything you create looks clean and professional.

(LIMIT: 6 STUDENTS)
Saturday, March 5th 11-2pm
Tuesday, April 10th 11-2pm

FOLD FORMING METAL - LEAVES - \$45
Instructor: Christina Level: Intermediate/Advanced
Prerequisite: Introduction to the Butane Torch (must be comfortable using a butane torch) and Wire I or equivalent

Use your basic torch and metal skills to grow a garden of unique pieces. In this fundamental metals class, students will learn the versatile and extremely fun skill of fold forming. Turn flat metal shapes into textured, dimensional leaf components for jewelry. In class, students will learn how to anneal metal and use simple texturing, patinas and finishing techniques to create a necklace, bracelet or pair of earrings. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

(LIMIT: 6 STUDENTS)
Sunday, January 31st 10:30-3:30pm

CUT AWAY METAL CUFF - \$40
Instructor: Christina Level: Advanced
Prerequisite: Introduction to Butane Torch or equivalent
(must be comfortable using a butane torch)

Forge a heavy metal cuff bracelet with unique negative space design elements. In this advanced metals class students will learn to draw, cut, file, texture and form a cuff bracelet from sheet metal. A variety of methods for creating the cut out design will be applied and finished with basic metal patinas. This modern yet tribal piece lends itself well to many variations. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

(LIMIT: 6 STUDENTS)
Sunday, March 20th 10:30-3:30pm

RUFFLED HEART PENDANTS - \$40
Instructor: Christina Level: Intermediate/Advanced
Prerequisite: Introduction to Butane Torch or equivalent
(must be comfortable using a butane torch)

Create one-of-a-kind ruffled heart pendants in this easy metals forming class. Learn how to anneal metal using a butane micro torch and form dimensional, ruffled hearts from copper blanks or sheets. You'll also learn easy, fun texturing, patina coloring and finishing techniques to create your pendants. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

(LIMIT: 6 STUDENTS)
Saturday, April 30th 10:30-2:30pm

Metalsmithing

TEXTURING METAL COMPONENTS - \$40

Instructor: Christina Level: Intermediate

**Prerequisite: Introduction to Butane Torch or equivalent
(must be comfortable using a butane torch)**

Learn to create a variety of surface textures on wire and sheet metal in this metals class. Work with hammers, stamps, embossing folders, kitchen tools and powertools to make surface designs on any metal. Create earrings, pendants and background pieces to incorporate into your style. Feel free to bring any metals you'd like to play with. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

Saturday, February 20th 10:30-3:30pm

APPLIED PATINAS FOR METALS - \$45

Instructor: Christina Level: Intermediate

Prerequisite: None

This patina class will teach a variety of methods for applying surface color to filigree components and textured metals. It's a fun, easy way to create unique effects ranging from subtle to striking. Use alcohol inks, Gilder's paste, Vintaj patinas, colored pencils, oil pastels and more. Sealants and preservation methods will also be covered. All materials are provided but feel free to bring any textured pieces you would like to patina.

Saturday, March 5th 10:30-4:30pm

HEAT PATINAS - \$40

Instructor: Christina Level: Intermediate

**Prerequisite: Introduction to Butane Torch or equivalent
(must be comfortable using a butane torch)**

Learn to use a butane torch to paint copper and brass with flame to create stunning and vibrant surface coloration. A variety of heat additives, as well as flux-based and solvent-based patinas will also be covered. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

Sunday April 10th 10:30-3:30pm

COPPER PIPE PENDANTS - \$45

Instructor: Kristin Level: Intermediate Prerequisite: Introduction to Soldering AND Resin I (or previous experience with 2 part epoxy resin)

These pendants are amazingly versatile in their design. In class we will build on some of your basic soldering and metalsmithing skills by making a few different types of copper pipe pendants. Then, we will decorate and fill the pendants using some more advanced resin and epoxy clay skills. The pieces made in class will need to cure for 72 hours and can be picked up at the store as soon as 3 days after the class. Wear play clothes. This class is for ages 16+ only. Under 18 needs a waiver signed by parents or legal guardians.

(LIMIT: 6 STUDENTS)

Wednesday, March 30th 11-4pm

Epoxy Resin & Clay

**SIGN UP FOR RESIN I & RESIN II TOGETHER AND PAY ONLY \$85!
(LIMITED AVAILABILITY)**

RESIN I - \$45

RESIN PICTURE PENDANTS

Instructor: Kristin Level: Any Prerequisite: None

Use epoxy resin to create custom picture pendants. We will cover techniques for filling bezels and doming tiles using photographs, decorative paper, printed images and other 2D objects. The pieces made in class will need to cure for 72 hours and can be picked up at the store as soon as 3 days after the class. Wear play clothes. Bringing printed materials or photographs to practice with is optional.

Tuesday, January 19th 4-7pm

Sunday, February 21st 11-2pm

Saturday, March 26th 11-2pm

RESIN FOLLOW-UP (FREE WITH PAID RESIN I CLASS)

Resin can be temperamental. Stop by for this optional troubleshooting session to learn finishing and problemsolving techniques to put an end to those resin woes.

Tuesday, January 26th 5-6pm

Sunday, February 28th 3-4pm

Saturday, April 2nd, 11-12pm

RESIN II - \$55

EMBEDDING, CASTING & MOLD MAKING

Instructor: Kristin Level: Intermediate Prerequisite: Resin I or equivalent (must be comfortable mixing and using 2 part epoxy resin)

In this fast paced class you will learn a wide variety of new intermediate and advanced skills that will unleash your imagination, including mold making and casting. The pieces made in class will need to cure for 72 hours and can be picked up at the store as soon as 3 days after the class. Wear play clothes.

(LIMIT: 6 STUDENTS)

Sunday, April 17th, 11-4pm

RESIN FOLLOW-UP (FREE WITH PAID RESIN II CLASS)

Resin can be temperamental. Stop by for this optional troubleshooting session to learn finishing and problemsolving techniques to put an end to those resin woes.

Sunday, April 24th, 11-1pm

COLD ENAMELING - \$35

*Instructor: Kristin Level: Any
Prerequisite: None*

Cold enameling adds lasting color and depth to your jewelry pieces. The effect is like glass enameling, but without the glass powders, torch or kiln. The process is quick, easy to learn, and opens up new creative possibilities like custom colors. Some of the pieces made in class will need to cure for 72 hours and can be picked up at the store as soon as 3 days after the class. Wear play clothes.

Thursday, February 25th 11-2pm

Epoxy Resin & Clay

FAUX STONE & BONE- \$35

Instructor: Kristin Level: Any Prerequisite: None

Get the look in this Apoxie epoxy clay class. Mix custom colors and add special effects to make beads, charms, pendants and buttons that simulate the look of organic materials such as bone, horn and stone.

Tuesday, February 16th, 5-8pm
Saturday, April 9th 11-2pm

FOLLOW-UP (FREE WITH PAID FAUX STONE & BONE CLASS)

Walk away with completely finished pieces after this optional finishing class.

Tuesday, February 23rd 5-6pm
Saturday, April 16th 3-4pm

Chainmaille

BASIC BYZANTINE CHAIN - \$30

Instructor: Mac Level: Beginner Prerequisite: None

This class will walk you through the basics of chainmaille and one of its most basic weaves: the byzantine chain. You will learn about basic chainmaille tools, materials and techniques in this class.

Wednesday, February 17th 12-3pm
Wednesday, April 6th 12-3pm

STEPPING STONE EARRINGS - \$30

Instructor: Mac Level: Beginner Prerequisite: None

This class will teach you the basics of making a unique pair of custom chainmaille earrings. It's a variation on a Japanese 4 in 1 weave. You will leave class with a completed pair of earrings.

Tuesday, April 19th 11-2pm
